THE MANAGEMENT / ADMINISTRATION

Clydeview Academy is overseen by the the Board of Governors. This arm of the school plays an advisory role to the school administration and helps ensure that the aims and objectives of the Founders of the school are achieved.

The Board of Governors reflects a unique and diverse array of business and educationally experienced men and women. Regular meetings ensure; the ongoing monitoring of progress towards securing achievement of the School Development Plan, longer term planning, as well as general governance issues.

The management / administration of the school is chaired by the chairman of the Clydeview Academy and ably supported by the school administrator, principal, Vice principal, head teacher, deputy school head, and Departmental heads.

OUR STAFF

We recognise that the key to your child's success lies strongly in the quality of our staff. That is why we carefully select the most experienced, compassionate and qualified professionals to care for and teach your child.

Staff across our school are here because educating young children is much more than a job to them - it's their passion. Their joy stems from providing children with "special moments" that captivate their desire to learn.

"Our teachers are encouraged to demonstrate the same level of care and affection for students as they would do for their own child"

A BLANCED AND UNIQUE CURRICULLUM FOR FUTURE LEADERS

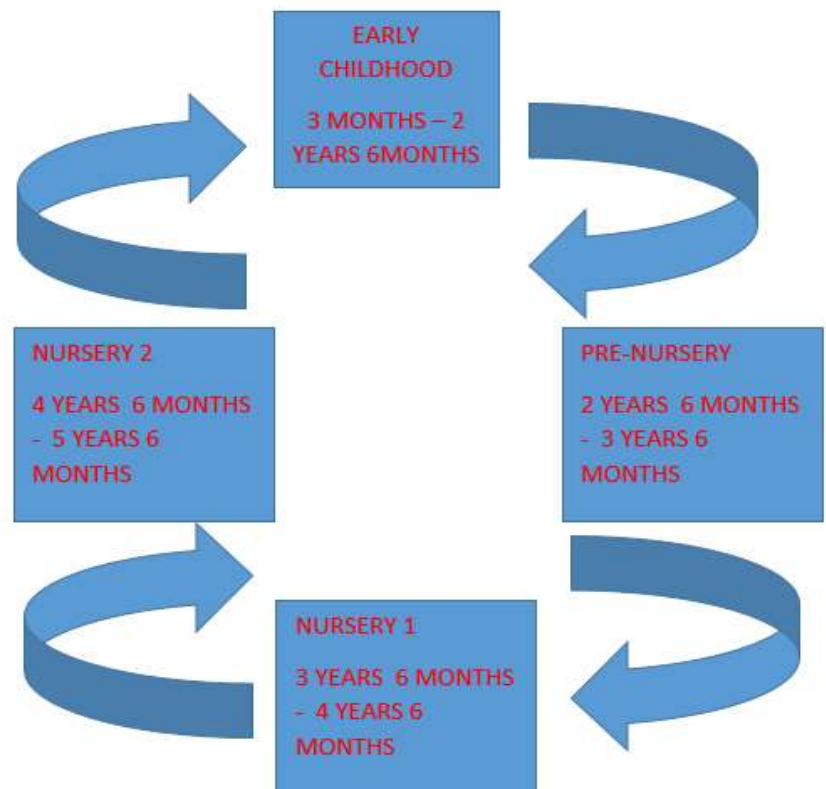

The school embraces the Nigeria Universal Basic Education Policy which stipulates nine years of basic continuous education for all children.

THE EARLY CHILDHOOD CENTER

(3 months – 5 years)

This was developed to meet the holistic development of all children within the age bracket. The children are encouraged to be independent in their learning so that their unique skills and knowledge can be harvested.

THE BASIC SCHOOL

Year 1 - 6

(6 – 11 Years)

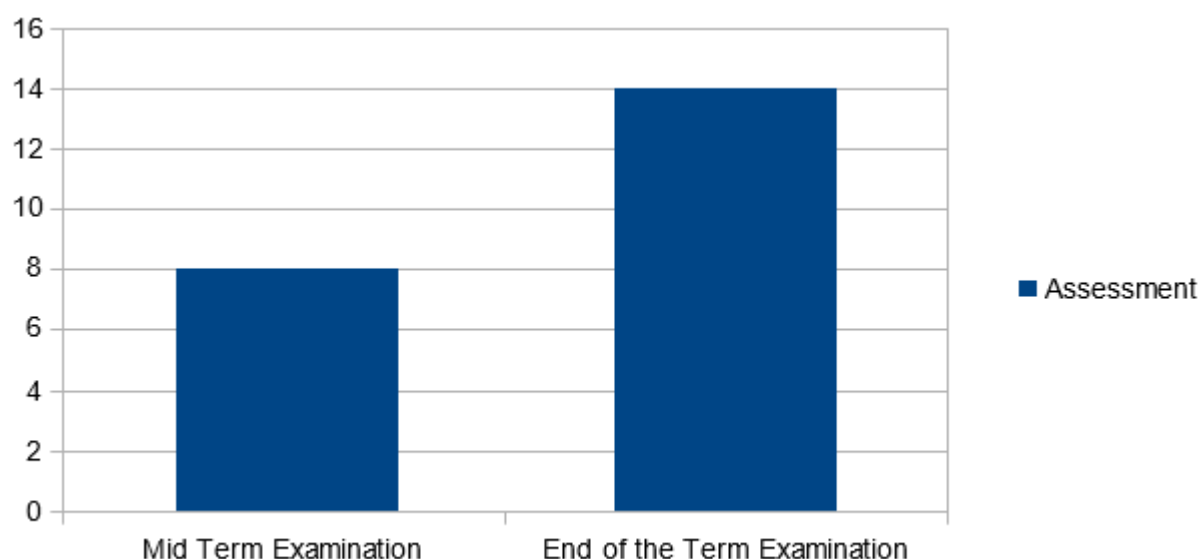

Clydevew Academy adheres to the Nigerian Basic Education curriculum as it relates to the elementary school level i.e. year 1 - year 6. However, the school enriches this curriculum with emphasis on literacy, Numeracy, Personal & Social Skill, Knowledge and understanding of the world.

SECONDARY SCHOOL Years 7-9

This was planned to provide a strong foundation for success for all our students through their senior studies. During their three years in the Senior Basic School students study the fourteen subjects contained in the National Curriculum: English, Mathematics, Science, Social Studies, Basic Technology, Agricultural Science, Computer Science, French, Nigerian Languages, Physical and Health Education, Religion, Business Studies/Home Economics, Cultural and Creative Arts and Civic Education. However, additional subjects from the Cambridge curriculum are taught to give the students better opportunity of competing with their counterparts in the world.

In Year 9, Students are entered in the National Examinations; the Basic Education Certificate Examination; BECE; for the award of Junior School Certificate.

ASSESSMENT

This is an integral part of the teaching process. We ensure students are continuously assessed, to give both ongoing feedback; formative assessment; and to provide a score/grade; summative assessment. At the end of each week students have a mini assessment on the subject matter covered during the week. Students are then given feedback and teachers reteach concepts, as required. Students also have assignments to complete.

There are two major assessments each term; mid-term and end of term. All assessments are recorded and provides a framework for continuous assessment. This allows the school to provide parents with balanced evidence of each child's progress.

EXTRA CURRICULAR ACTIVITIES

A wide range of diverse activities are available to students on a daily basis which; inspire to develop additional skills, or, simply allow students to enjoy themselves and have fun. Activities range from sporting, Arts, Music, Ballet, Elocution, Fashion, Hair dressing, Catering, etc, Student select activities according to interest and many clubs form the basis of competitive teams who take part in competitions both Nationally and Internationally.

Teachers enthusiastically offer their time to these activities which they see as complimentary and enriching to the overall curriculum.

A list of sporting activities include;
